[Scene 1: A man playing the game or watching football while his wife is next to him asleep]

"I almost tattooed RENPHO across my chest when it got my wife to stop nagging me every night. She told me it was the best present she's ever had and her sleep has never been better. It plays music, heats, massages, (points at wife with thumb) and she always looks so relaxed while going to sleep."

[he puts the controller down/ cuts tv off and puts on the device as he lays back]

"I got jealous and bought one for myself, and neither of us have looked back since!"
